SELECTMEN'S REPORT

The Board of Selectmen present the following report and some of the major concerns of the Board during the past year.

HIGHWAYS The cost of maintaining the Town's roads continues to increase while the requests for improvements to our outlying roads becomes more urgent. The T.R.A. funds appropriated at the last annual meeting were carried forward to this year. If the Town votes the $969. in this years budget there will be about $14,000. available for work on the Upper Troy Road. After considerable delay a party has been engaged to crush a quainty of gravel. The site is just over the Town Line in Rindge but most of the 5,300 yards of material processed to date has been stockpiled in the southeastern part of the town where it is readily available for the use of the highway department.

BUILDING PERMITS The last annual meeting voted to establish a requirement for Building Permits. During the past nine months the Board of Selectmen has issued thirty-five permits. Five were for new homes, fourteen were for additions or alterations to existing structures, four for the location of seasonal trailers, one temporary mobilehome, two commercial buildings and nine permits for proposed seasonal structures. One of the benefits of the use of building permits is that allows the party which proposes to build to make their plans known to the Board of Selectmen so that the builder can be made aware of the Town Ordinances and the requirements of the New Hampshire Water Supply and Pollution Control Commission for sewage disposal systems.

TOWN DUMP Since 1967 the Town Dump has been the subject of repeated comments in the Selectmen's Report. It has also been the object of numerous articles in the annual town warrant. Article 23 has been put in the warrant this year to allow the voters to discuss the matter and to permit the Board of Selectmen to take some positive steps to try to bring our solid waste disposal practices into line with recommended practices. It is expected that the 1975 session of the Legislature will make some changes in the present state law which will allow for a more realistic approach to the disposal of solid waste as it applies to small towns.

POLICE DEPARTMENT This past year has been a real test for the need of the expanded police force as authorized at our last annual town meeting. The number of calls for service is indicative of the needs of the town. The current wave of vandalism, of breaking and entering and stealing has resulted in many time consuming investigations. It appears that the trend will continue. The cooperation of all the citizens in limiting their calls and demands on the department will help to keep the cost down to a reasonable level.

INTENT TO CUTS The demand for lumber during the past three years has resulted in several large land owners taking advantage of the high prices being offered for stumpage. The unusual demand for pine timber caused some heavy cutting throughout the town. Intent To Cut records filed with the Board of Selectmen for 1973-74 show that 2,500,00 board feet of pine, 500,000 feet of hemlock, 750,000 feet of hardwood and a small amount of spruce was harvested from the woodlands of the town during the past year.

ROLE OF THE BOARD OF SELECTMEN IN SCHOOL AFFAIRS Thirteen years ago the Fitzwilliam School District was discontinued and the education of the Town's children turned over to the Monadnock Regional School District. The misunderstandings and resulting court cases which developed after the admission of the towns of Gilsum, Sullivan and Surry into the District has continued to involve the Board of Selectmen. The controversy about the formula and the assessing practices of the member towns has resulted in the Selectmen becoming more deeply involved. The 1968 annual meeting voted to have the Board of Selectmen serve as a legislative committee in school affairs. The 1969 annual meeting instructed the Board to withhold funds from the District until the orders of the State Tax Commission, for the reassessment of the member towns, were carried out. The Board represented the Town before the Interim Education Committee appointed by the 1971 Legislature. On other occasions the Board has been asked to appoint representatives to a Future Needs Committee, a Building Committee and more recently to a Formula Study Committee. The recommendations of this latter Committee for a change in the formula from the present 50-50 apportionment of costs on the equalized valuation and average daily attendance was defeated by a narrow margin at the last annual District meeting. The Fitzwilliam Board of Selectmen recently joined with the Richmond Board of Selectmen and presented a resolution to our legislative representative, requesting that he introduce a bill in this session of the legislature to allow the two towns to vote on the withdrawal from the District.

With the present 50-50 formula Fitzwilliam will pay 20.53 per cent on one-half of the annual school property tax assessment, or $234,716.26 for the 1974-75 school year. On the other one-half of the property tax assessment, which is based on the average daily attendance the town will pay 14.53 per cent or $165,715.61. This difference of the two parts of the formula is about $69,000. and is approximately $7,000. above the average cost over the past five years. The uneconomical structure of the Monadnock Regional School District, it's participation in the new area Vocational School and the regional energy crisis are issues that are certain to command the attention of the Fitzwilliam taxpayers during the months ahead.

The Board of Selectmen wish to express their appreciation to all of the other town officers for their cooperation during the past year and to the members of the several committees who have given generously of their time to carry on the necessary functions of the town. One of the great assets of a small town is the ability and willingness of it's citizens in carrying out the governing process.

FIREWARDS REPORT 1974

FIRE LOSSES- UP FOR 1974

The Fitzwilliam Fire Department had a busy year in the area of alarms. A total of 63 calls were received and answered.

Structure Fires	11	Car Accident	2
Rescue Calls	13	Gas & Wash	3
Brush Fires	8	Mutual Aid	15
Chimney Fires	4	Search & Rescue	2

The town fire loss was much higher then usual, as about $70,000. in property values were lost to fire. The fire department urges each person to utilize the departments inspection program of buildings to help prevent fires from happening.

FIREFIGHTERS START VEHICLE FUND

A Rescue vehicle fund has been started to equip and purchase a van type vehicle to assist in rescue calls. This is a volunteer fund project and donations towards this would be appreciated. Please send them to the Fitzwilliam Fire Department C/O Chief Edwin Mattson,Jr., marked for RESCUE VEHICLE OR EQUIPMENT.

E.M.T. GROUP

The Emergency Medical Technician group(E.M.T.) completed their training in May and are now known as Rescue 10 and are responding on Rescue and Resuscitator calls as needed. This is a "Jump Squad" designed to give aid until the Ambulance arrives. More people are needed to help on this unit. Please contact Mr. David Holmes if you would like to help.
Civil Defense money was spent to obtain special extracating tools to assist at accidents. This equipment is on the 1965 International at the Depot.

FIREFIGHTERS DONATE FUNDS

The fire department donated $4,208.65 directly to the town and the department in 1974, and another $1,810.80 was given to various community organizations, or a total of $6,019.45 was given to the town.

FIREFIGHTERS HELP THE COMMUNITY

The firefighters sponsored the Annual 4th of July chicken B.B.Q. and fireworks, were responsible for the Christmas lights, and many projects such as the Boy Scouts. The Firewards wish to thank all of the firefighters for their help and many hours of free labor to the town.

SPECIAL PROJECT FOR 1975

The firefighters will sponsor a new project called "A Community Street

Index" and each house will have a number and street address. These numbers will be placed on the homes and each home will receive an index. This project depends on moneys that are available to us. The index will be up-dated as needed each year.

MEADOWOOD COUNTY AREA FIRE DEPARTMENT

The Meadowood Fire Department has contributed manpower and equipment to the town free of charge since 1953. It has been brought to our attention that funds are needed to pay expenses which have inflated in the past two years. Please make an effort to send a contribution to the membership C/O Meadowood Fire Department, Fitzwilliam. They need your help.

NEW TRUCK NEEDED

In 1976 the Firewards will present a request to purchase a new fire engine. Our village truck will be 22 years old, and the International will be 11 years old. With the Capital Reserve Fund and a small additional appropriation from the budget, we feel we can do this without an increase in the tax rate.

A total of 247 summons were issued for court appearances including juvenile referals.

Our department has had members attend various schooling including State Police Academy, breath-alizer School and other narcotic and criminology classes. Classes are held one night weekly at our dept. and other departments.

As the economy slows and unemployment goes up so does crime, especially breaking, entering and theft. Increased patrol activities have helped to combat this but we still would like to impress on our citizens to be aware of strange cars or persons acting suspiciously and to report this to your department. A registration plate correctly given is an important clue.

The co-operation of police depts., Sheriff and State Police along with our own citizens has been appreciated this past year.

LIBRARIAN'S REPORT 1974

Library circulation has been considerably heavier this year than last, with a total of 8,422 books, magazines and records borrowed. Three-hundred-two new books were acquired during the year despite the rising costs of publication. Trust funds provided money for the non-fiction, the Friends of the Library paid for adult fiction and children's books were bought with the fine money. Seven-hundred-thirty of the books circulated were on loan from the Bookmobile which made three visits to Fitzwilliam. Ninety-nine books were acquired from N.H. State Library on special request for individuals in the community.

During the summer Mrs. Fletcher administered a children's reading program for which the Friends provided prizes. Also, Paula Baldwin held a weekly reading hour during July and August for pre-schoolers. In October each of the classes at Emerson School was brough to the Library for an orientation hour. We also contined the policy of taking books to shut-ins.

Mrs. Fletcher's duties were ably carred on while she was away through the winter months by four substitutes: Mrs. Richard Lundsted, Miss Mabel Sturtevant, Mrs. Robert Schumann and Mrs. Alden Farrar. Mrs. Joseph Roche, former librarian, helped out when I was sick.

New storm windows were purchased and installed by the Trustees for the entire first floor and the old ones were used upstairs.

The Friends committee has contined to cover all books with protective plastic. The Friends also have furnished the contact paper to cover shelves which Mr. Roche has applied.

One-hundred-six books were weeded from adult fiction, with the assistance of Mrs. Robert Underwood.

Last spring I satisfactorily completed the Introductory course in Library Management given by U N H at Keene. In addition to attending 3 area meetings of the S W Library Council, Mrs. Fletcher and I in October attended a workshop on young people's reading materials at Walpole.

SPECIAL PRESENTATION OF A FLAGPOLE IN COMMON

Mr. and Mrs. William H. Davis, Sr. presented to the Town of Fitzwilliam a new flagpole, which has been erected in the Village Common, in memory of their sister, Marguerite E. Davis.

Miss Davis enlisted in the U.S. Army Nurse Corps in World War I. She was assigned to Unit 44 and served in France until May 22, 1919.

After discharge, she took two years to regain her health, due to a gas attack in the war zone.

She then served the Town of Fitzwilliam as District Nurse for 42 years until her retirement in 1965.

The Precinct wishes to acknowledge with many thanks the gift of a flag and flagpole from Mr. and Mrs. William Davis, Sr.

RECREATION COMMISSION
REPORT FOR 1974

It has been a busy year for this committee but one in which things really got started. This spring you will be able to play baseball and tennis at Fitzwilliams' own facilities.

Early in the spring this committee hired professional help from the firm RIST-FROST Associates of Laconia and Glens Falls, New York. They were responsible for the specifications and construction of the tennis courts. They also provided engineering help for the ball field layout and the pole barn structure. If things seemed to go slowly at times it is only because they were making very sure everything was done correctly. We feel they have helped provide this town with high quality recreational facilities that residents will be able to enjoy for many years.

Many townspeople have been actively involved in work on the area. This is an encouraging sign. It is hoped this kind of involvement will continue when the facilities are in use. The area belongs to all Fitzwilliam Residents, it is up to you to use and to care for it.

SUMMER RECREATION PROGRAM 1974

As the number of youngsters using our summer program increases so does the program and the staff. This year we had four paid employees working plus two teenagers from the Neighborhood Youth Corps and others who spent many volunteer hours with the youngsters. Mr. Dennis Poirier from Troy headed the program assisted by Tim Hofmeister. Mrs. Marjorie Ayers ran an Arts & Crafts program, assisted by Joyce Payea.

We are grateful to Mr. Wallace for his generous donation of the Fitzwilliam Inn pool facilities for one hour each day. The swimming program was one of the highlights of the summer. We thank the Elliot Institute for its donation of money which made possible our trip to the KSC Summer Theatre and a visit by a traveling puppet troupe, the Little Red Wagon, to our playground. Thanks go also to the Fitzwilliam Firemens' Auxiliary for paying the transportation cost of a trip to Boston to see a Red Sox baseball game. And a special thank you to the Womens Club for their donation which helped provide softball equipment for the beginning of our girls softball team.

Next summer is going to be a challenge for all of us when we will be using the new facilities. We are hoping the people in town continue to get involved in recreation and come to help the youngsters. Volunteers are desparately needed for tennis, softball, arts & crafts, and all sorts of games. If you are out there, lets' hear from you. This is your program, these are your children.

FITZWILLIAM PLANNING BOARD
REPORT 1974

State rules and regulations concerning all sub-divisions, large and small, become more stringent each year. The changes and additions to requirements make a heavier work load for Town Planning Boards.

The Board feels it was a mistake for the Town to turn down the zoning ordinance as proposed at the Special Town Meeting in August. The Ordinance was drawn up in as simple and concise a manner as possible after a great deal of research. It's rejection by the voters leaves Fitzwilliam in a vulnerable position. Many of the surrounding towns have accepted zoning in one form or another thus causing the unscrupulous developer to attempt to come into a Town without the controls supplied by a zoning ordinance.

The Fitzwilliam Board has thoroughly investigated the value of the help obtainable from the Southwestern New Hampshire Regional Planning Commission. The Commission is ready and willing to provide technical assistance to towns for solving planning and development problems, water supply and sewage disposal, land use and many other questions relative to proper growth and development. It is also in a position to offer legal advice where questions come up before the Board for arbitration-this service could cut down on the town's legal fees. The Planning Board recommends that Fitzwilliam join the Southwestern New Hampshire Regional Planning Commission at a per capita cost of .68¢.

There were fourteen sub-divisions approved by the Board in 1974. Three members of the Board resigned during the year: Charles Short, Jane Buss and Acting Chairman James Kennedy. They were replaced by Thomas McCulla, Frances Hallett, and Nathaniel Bowditch. A strong vote of thanks goes to Mr. Kennedy, Mr. Short and Mrs. Buss for their work and help.

Respectfully submitted,

Frederick W. Regan, Acting Chairman
PLANNING BOARD

TOWN HIGHWAY GARAGE COMMITTEE REPORT

The town highway garage committee was formed by adoption of article #25 at the 1974 town meeting.

The purpose of this committee is to investigate and make recommendations relative to the location and construction of a highway garage.

The present facilities occupied by the town highway department are inadequate. It does not appear that these facilities can economically be repaired and expanded to meet present requirements. Sufficient land is not owned by the town at the presnet location to allow for expansion. Storage of material has already spread across lot lines onto land owned by our abuttors.

This committee has considered several potential sites for relocation of these facilities. After some consideration, we are of the opinion that the present site would appear to be the most desirable location available. The land directly behind the present location is in the estate of the late Verne Decatur. We have contacted the attorney for the estate, and have reason to believe that the heirs would be willing to consider selling the town sufficient land. This area formerly occupied by the "Old stone sheds" is suitable for our purposes. We propose to purchase sufficient acreage to meet present garage requirements, together with room for expansion, storage of materials, and a buffer zone between town facilities and adjacent property. Exact boundaries have not been established; they will have to be negotiated with the heirs; based on their plans for subdivision of the land, funds available to the town, and approval of the planning board insofar as their authority on subdivisions.

This committee has spent some time in discussing the needs of the highway department in terms of a town garage. While we have concurred on the basic requirements, additional work is needed before we will be prepared to present the town with our proposal and a complete set of specifications. At this time we wish to present the town with the following recommendations:

1. That the town raise and appropriate the sum of four thousand dollars($4,000.00) for the acquisition of land for the highway department garage.

2. That the town authorize the town highway garage committee and/or selectmen to negotiate for and purchase the previously described property.

3. That this committee be contined for one year to draw up specifications for a new highway department garage, together with cost estimates, and recommendations for financing.

Respectfully submitted,

BICENTENNIAL COMMITTEE FOR "76"

Under Article #26 in the 1973 Town Report the Town voted to establish a committee to make plans for a suitable observance of the American Revolution Bicentennial.

The committee met and reviewed many suggestions on what might be done for the nation's 200th birthday.

Suggestions received and reviewed were to include an old-type town meeting, a colonial ball, colonial church service, a play depicting town history,a colonial crafts & trades fair to be held on the Common, an old-home day, a reprint of the 1888 Town History, an up-dated story of Fitzwilliam to the present, this project to be undertaken by Mr. Richard West. Mr. Jack Eckberg agreed to paint the portrait of Gen. James Reed, Fitzwilliam's only General in the Revolution. The portrait to be placed in the Town Hall.

The committee plans to send out a questionnaire to ask you help and suggestions for the "76" birthday. An article has been placed in the warrant for a sum of money to give the committee a basic start, this to be supplemented by various fund-raising projects.

We ask your support and help in this 200th birthday celebration.

Respectfully,

Robert Corrette
